

The 4th Iranian International Congress of Entomology

Razi University, Kermanshah

18-20 September 2023

IRAN

Abstract Submission Deadline: 2023-07-07 | Congress Start Date: 2023-09-18 | Congress End Date: 2023-09-20

Scopes

- ◆ Agricultural Entomology
- ◆ Biodiversity, Biogeography and Conservation
- ◆ Biological Control of Insects
- ◆ Ecology and Population Dynamics
- ◆ Ecotoxicology and Toxicology
- ◆ Forest and Rangeland Entomology
- ◆ Industrial Entomology
- ◆ Insect Behavior
- ◆ Chemical Ecology
- ◆ Insect Pathology
- ◆ Insect Physiology and Biochemistry
- ◆ Integrated Pest Management
- ◆ Medical and Veterinary Entomology
- ◆ Molecular Entomology
- ◆ Pest Resistant and Genetically Modified Crops
- ◆ Quarantine Pests
- ◆ Social and Pollinator Insects
- ◆ Stored Product Pests
- ◆ Systematics, Phylogeny and Evolution
- ◆ Urban Entomology
- ◆ Symbiosis and Insect Vector Biology

With great pleasure, we announce that the **4th Iranian International Congress of Entomology (4IICE)** will be held on September, 18–20, 2023 at **Razi University**, Kermanshah. The first congress was held at the Iranian Research Institute of Plant Protection, Tehran, during 29–31 August of 2015, the second congress was held at the University of Tehran, during 2–4 September 2017, and the third one was held at the University of Tabriz, during 17–19 August 2019.

IIEC was conceived in order to connect entomologists studying various aspects of entomology throughout the world. We are very grateful to the Entomological Society of Iran, for selecting the Razi University as the host for this important congress.

See you at **Kermanshah**, the territory of Neolithic villages, cradle of prehistoric cultures, with attractive landscapes, and rich culture

* There is an opportunity of **Online Presentation** for the non-Iranian participants who can not travel at that time.

Congress Schedule

Abstract Submission Deadline	Congress Start Date	Congress End Date
2023-07-07	2023-09-18	2023-09-20

Organizing Committee

Chairman

Dr. Gadir Nouri-Ganbalani
University of Mohaghegh Ardabili, Iran

Scientific Secretary

Dr. Ehsan Rakhshani
University of Zabol, Iran

Executive Manager

Dr. Abbas Ali Zamani
Razi University, Kermanshah, Iran

The Scientific Committee comprises ca. 100 scientists from various countries. A team of 22 official employees support the event as the Executive committee.

SCOPES

The congress covers all aspects of entomology and will include plenary sessions, oral and poster presentations. Attendance will provide an excellent forum for making new links between participants and for initiating collaborative work.

The proposed topics are:

- **Agricultural Entomology**
- **Integrated Pest Management**
- **Insect Biodiversity**
- **Pollinator Insects**
- **Insect Conservation**
- **Biological Control**
- **Host Plant Resistance**
- **Pesticides & Agricultural Toxicology**
- **Forest & Rangeland Entomology**
- **Insect Behavior**
- **Insect Ecology**
- **Insect Pathology**
- **Insect Physiology & Biochemistry**
- **Medical & Veterinary Entomology**
- **Vectors of Plant Diseases**
- **Insect Genetics & Molecular Biology**
- **Quarantine & Invasive Pests**
- **Stored Product Pests**
- **Systematics & Evolution**
- **Urban Entomology**
- **Industrial Entomology**

Organizer Institutes

Entomological Society of Iran

Razi University, Kermanshah

Yunnan University, China

University of Bari Aldo Moro, Italy

Registration

<https://4iice.areeo.ac.ir>

- The congress participants must register on the congress website and submit their abstract(s).
- The participants whose submitted abstract is accepted must pay the registration fee as described in the following guideline. By default, the first author of each abstract (as the presenter) is responsible for registration and payments.
- A 50% discount on the "Registration Fee" is available for the ESI members (a valid ID card is needed).
- The student fee is only applicable to the first author who is currently a student or whose graduation date has been in less than six months from the Congress dates.
- We advise listeners who do not submit abstracts to register at the congress, so they can receive a certificate of attendance.

The congress registration fee includes: Admission to scientific sessions; all congress material; tea/coffee breaks; certificate of attendance; and city tour.

The congress registration fee does not include food and accommodation.

Payments

Iranian participants - Direct Bank transfer

Account name: Entomological Society of Iran (Tejarat Bank, Shahid Beheshti University Branch, No: 03420)

Account No.: 0342060668

IBAN (International Bank Account Number): IR0701 8000 0000 0003 4206 0668

Card No.: 5859-8370-0191-2886

*After sending your registration payment by bank wire transfer, scan the bank receipt and attach the PDF or JPEG file in an email to 4iice@razi.ac.ir

Foreign participants

The registration fee can be paid **"in cash"** at the registration desk. A secure bank account will be available for payments by the participants who attend online for presenting their abstracts.

4IICE Registration fee				
Registration type			Early	Late
			Until 6 August	7 August-11 September
National participants	Ph.D. Student & Non-Student	ESI-Member	2500000 IRR	3000000 IRR
		Non- member	5000000 IRR	6000000 IRR
	B.Sc. & M.Sc. Students	ESI-Member	1250000 IRR	1500000 IRR
		Non- member	2500000 IRR	3000000 IRR
	Accompanying persons		1000000 IRR	1000000 IRR
International participants	Non-Student		100 USD	150 USD
	Student		50 USD	75 USD

Guidelines for Authors

<https://4iice.areeo.ac.ir>

IICE4 accepts the ABSTRACTS only in English (UK). The following items should be considered at the time of preparation: ([Download Template](#))

- **Platform:** Microsoft Word: .doc, .docx or .rtf
- **Page size:** A4;
- **Margins:** 2 cm from all sides;
- **Font:** Times New Roman;
- **Title:** p. 14, Bold;
- **Author(s):** p. 12. the name of the presenting author should be underlined.
- **Affiliation:** p. 10, italic, including e-mail address of each author.
- **Main text:** p. 12, minimum 200 and maximum 400 words, including brief Background/Introduction; aim and scope; Methods; Results and Conclusion
- **Keywords:** up to 7 words, sorted alphabetically in small letters, p. 10.

Contents

The submitted abstracts must be non-published data, the original idea, new findings, and an improvement or revision of a previous work. Submitted abstracts should not be published in any other journals and/or online publications or presented at national and international congresses, prior to IICE4. All abstracts must be submitted in English using UK English spelling with proper grammar suitable for publication. Presentation and Interactions will be conducted in English, so the presenters are expected to speak in good English. Limit the usage of acronyms and abbreviations. Place abbreviations in parentheses after the full word the first time it appears.

Authorships and presenting

The first author is considered the oral or poster presenter by default. The number of abstracts is limited to a maximum of one per each (oral) presenting author. Furthermore, an author can only be a co-author in another abstract twice. It means that an author can only be involved in a maximum of three abstracts, once as the first author and twice as a co-author. Additional accepted abstracts will therefore be presented as posters only. A personal photograph of the presenter (dimension 3x4 cm, resolution of 150 dpi) should be supplemented at the time of registration. Make sure you have entered the full list of authors and check that the information given for each author is correct, at the time of submission. The presenting author is required to ensure that all co-authors are aware of the content of the abstract before submission. Authors warrant their works to the IICE4, and that all authors have participated in and agree with the content and conclusions of the work, and that the work is original and does not infringe upon any copyright, proprietary, or personal right of any third party. All possible potential conflicts of interest must be stated at the time of acceptance of presentation. It is the responsibility of the presenter to disclose any potential conflict(s) of interest from co-authors. The submission extracted from the copyrighted works should be fully authorised by the copyright holders.

Submission

Abstracts must be submitted via the 4th IICE Abstract Submission platform. Abstracts sent by email will not be considered. Failure to upload and register for the Congress by the set deadline will result to the withdrawal of the abstract from the scientific programme. Once submitted, it is not possible to make further corrections to the abstract (including title, authors' affiliations, main text, etc.). In order to correct your abstract, you must withdraw it and re-submit a new version prior to the deadline. If you want to withdraw an abstract, please notify us at 4iice@razi.ac.ir

Peer-Review

Submissions are peer-reviewed for scientific content, and the current interest of the topic to the scientific community. At least two independent anonymous experts will review the submitted abstracts.

KEYNOTE
 SPEAKERS - IICE4

Dr. Eustachio Tarasco

Department of Soil, Plant and Food Sciences, University of Bari "Aldo Moro", Bari, Italy
Title: Entomopathogenic Fungi/Entomopathogenic Nematodes Interactions in Microbial Control

Dr. Andrew Polaszek

Department of Life Sciences, Natural History Museum, London, United Kingdom
Title: Pending

Dr. Hossein Rajaei

State Museum of Natural History Stuttgart, Germany
Title: Towards an Iranian Catalogue of Life; Lessons from the project "Lepidoptera Iranica"

Dr. Mehrdad Ahmadi

Nuclear Science and Technology Research Institute, Tehran, Iran
Title: From Science to Practice: Sterile Insect Technique Against Mediterranean Fruit Fly in Iran

Dr. Kaumod Tyagi

Centre for DNA Taxonomy, Molecular Systematics Division, Zoological Survey of India, Kolkata, India
Title: Evolution of Mitochondrial Genome of Order Thysanoptera

Dr. Gozde Busra Eroglu

Department of Biology, Faculty of Science, Karadeniz Technical University, 61080 Trabzon, Turkey
Title: The Pathogenic Bacteria Inside Dead Honey Bees from Anatolia: Molecular Characterization and the Future Epizootic Challenges

Dr. Mar Ferrer Suay

Universitat de València, Facultat de Ciències Biològiques, Departament de Zoologia, València, Spain
Title: A Closer Look at Charipinae (Hym.: Cynipoidea: Figitidae) as Aphid Hyperparasitoids

Dr. Alireza Zamani

Zoological Museum, Biodiversity Unit, FI-20014 University of Turku, Turku, Finland
Title: The Limitations and Shortcomings of DNA Barcoding as a Sole Taxonomic Tool

Dr. Francisco J. Peris Felipo

Syngenta Crop Protection, Rosentalstrasse 67– 4058, Basel, Switzerland
Title: Insect Declines and How We can Fight Against it in Agriculture

Dr. Shima Yazdanpanah

Department of Entomology, Faculty of Agriculture, Tarbiat Modares University, Tehran, Iran
Title: Promising Path Towards Production and Use of Predatory Mites

Dr. Maryam Negahban

Iranian Research Institute of Plant Protection, Tehran, Iran
Title: Botanical Biopesticides: Current Status and Future Perspectives

Publication

<https://4iice.areeo.ac.ir>

All presented abstracts will be published in the Proceeding *e-book* of IICE4. The content belongs to the author(s) and will be published under a [Creative Commons Attribution-Noncommercial 4.0 International License](#). By default, the first author of the abstract will receive a certificate.

Full length papers with accepted abstract can be considered for publication in the following journals, published by the **Entomological Society of Iran**.
